

## **International Business opportunities**

Enclosed contact form is suggested to be used whenever a member company from a Business Member Organization (BMO) or Chamber of Commerce that is a member of the ARAB - EU Business Facilitation Network is facilitating a request on behalf of Member Company for any international business enquiry.

The specific enquiry can propose any business development topic relevant for the Member Company in any of the countries of the members of the ARAB-EU Business Facilitation Network.

Please ensure to fill out all relevant data fields below. Also, please note that BMOs or Chambers of Commerce in general do not necessarily represent all industries or business areas. In case any specific enquiry contradicts the policy of the chamber or organisation approached, the request may be rejected.

Each contact form submitted will be received and evaluated duly. Each contact will be addressed and responded to on an individual basis and in confidentiality. If the request is out of the scope of the organisation or chamber to respond to, the request can upon consent from the company, be forwarded to other relevant institutions in the country of interest (Investment authority, Banks, Lawyers, Consultants etc.)
